## City of Ely Street Department

### Monthly Report

August 2022

#### **Work and Road Maintenance:**

- Hauled 1 tank load of CRS2
- Pothole filling with road repairs using the Dura patch machine
- Sweeping
- Clearing weeds from drain inlets and road edges
- Cleaning up mud
- Assisted the water department with water digs
- Painted Cross Walks at the Schools
- Attempted to unplug storm drainpipe on 9<sup>th</sup> Street East and found that it wasn't tied into State storm drain system when the work was done on Aultman
- Removed the rubbish that was used to block the culvert on Fay and North causing a huge amount of mud to cover that area in central Ely
- Sloped the edges and added riprap to the front of the culvert on Fay and North
- Bladed several of the dirt roads that were made rough during the heavy rains

#### **Safety Meetings and Trainings:**

- Cell phone use
- Pulling trailers
- Anti-Harassment training

## **Equipment**

- RTC trailer T-1 had a tire blow out. No Damage to the trailer other than the tire.
- RTC trailer T-1 is not heating up due to heating blanket issues. Parts have been ordered
- Johnston RT-655 sweeper is having water pump problems and has reduced water output. Parts have been ordered
- The pickup head assembly on the Johnston sweeper was removed cleaned and reinstalled
- The pick-up chain on the Broom Bear sweeper was tightened
